# Relax

St. George Island on Florida's Gulf Coast beacons with unspoiled beaches. Here, we enjoy swimming, fishing, sailing, kayaking, and power boating. We take eco-tours, ride bikes, explore wildlife, enjoy quaint shops, eclectic art galleries, and a relaxed lifestyle. Oh, and with the finest seafood in the country, do we eat well!

#### Dozen Distinctive Destinations

The National Trust for Historic Preservation chose Apalachicola as one of its 2008 Dozen Distinctive Destinations based on its unique character, exceptional charm and commitment to historic preservation. Awarded to only a handful of communities throughout the nation, this designation confirms Apalachicola's commitment to preserving its working seafood industry, maritime culture and history. \*\*

Over 900 Homes and Buildings are listed in our National Register District dating back as far as 1830.
